

PROPERTY IMPROVEMENT PROGRAM (PIP) 2017

West Broadway Community Organization is providing small exterior fix-up grants for **rooming house operators** in West Broadway neighbourhood. The purpose of the Property Improvement Program is to encourage rooming house operators to make major improvements to the exterior of the house and land. These types of housing improvements increase longevity of an aging housing stock, retain historical character of buildings, enhance streetscape beautification, and foster sustainability through energy efficiency measures. As a part of West Broadway Community Organization’s neighbourhood revitalization strategy, property improvements of this nature attract further social, economic and community reinvestment.

Please read the *Property Improvement Program* Guidelines **carefully below.**
