**There will be several important activities taking place at the AGM:**

- 1. A review of WBCO's 2018 audited financial statements**
- 2. An update on progress made over the past year toward achieving the goals of the West Broadway Community Plan (2016-2021)**
- 3. The election of new members to WBCO's Board of Directors.** We invite community members interested in serving on the Board to put their names forward. The nominations process is governed by WBCO's bylaws, a complete copy of which is available by contacting WBCO staff at 774-7201 (ext. 5) or emailing [director@westbroadway.mb.ca](mailto:director@westbroadway.mb.ca). Please note that our bylaws do not allow for nominations from the floor, nominations must be made a minimum of 20 days in advance of the AGM, there is no provision to nominate Board Members at the meeting itself.

A person must live, work, or volunteer in the West Broadway Neighbourhood to be eligible to nominate or be nominated to the Board of Directors. (Self-nominations are welcome!) Board Members are committed to advancing the goals and policies of WBCO, participating in monthly board meetings and at least one standing committee, and represent WBCO at community events.

The nominating committee requests that all potential Board candidates write a short letter or email indicating why they are interested in serving on the Board, and what skills and experience they bring to this volunteer position. If you or someone you know is interested in participating but would prefer not to write, please drop by WBCO offices at 545 Broadway for a short introduction. Providing current contact information is also helpful.

As per our bylaws, in order to be accepted, nominations must be received no later than Thursday, May 23, and may be emailed, dropped off or mailed to:
