West Broadway Community Organization is moving!

Dear community members, partners, and supporters,

On behalf of the West Broadway Community Organization (WBCO), I am delighted to report that our offices and programs will be relocating to Crossways in Common at 222 Furby St. Moving will occur during the last week of August and the first week or so of September and may interrupt some of our activities so be sure to check in with us if you have questions about program schedules.

Crossways offers fully accessible, ground floor offices, an on-site commercial kitchen, drop-in capacity, meeting spaces of all sizes, and it is located in the heart of West Broadway. We are convinced that this move will make us even more visible, accessible and relevant to our community.

WBCO's mandate includes working with community partners to make the best possible use of our collective resources. By moving into Crossways we will be contributing to the cost and management of this important facility while also sharing staff expertise with a wide range of partner organizations. With the announcement last week that Wolseley Family Place will also be moving into Crossways at the same time, we believe this will mark the beginning of an exciting and vital new chapter for the building and for the neighbourhood.

For more information about this move please contact me at director@westbroadway.mb.ca.

Best regards,

Greg MacPherson
Executive Director
West Broadway Community Organization
